Please enter the agenda topic you wish to speak on or provide your written comments here : - Representative Vruwink suggested we approach the county board to enforce Rock county statute 3.202. The sheriff's dept is willing, unfortunately won't because DA O'Leary will not prosecute the ordinance. He states it's a civil matter and township issue. We are working with the township currently. The neighbors and ourselves need enforcement in the short term. We have a noise disturbance from dirt bikes on private property and development of a motor cross track on Ag property.
