AGENCY RECOMMENDATION

11. If you answered **Approve With Conditions to 10.**, list conditions:

- 3. Note on Final Map: "Since Lot 1 contains existing buildings which utilize an existing private sewage system
- 4. no soil evaluation on the lot was required at the time of this survey. Soils on the lot may be restrictive to the replacement of the existing system."
- 5. Proposed lot lines must include the system area with the building which utilizes the system.
- 6. Final CSM to be submitted to and approved by the Planning and Development Agency one year after the date of Preliminary Approval.
- 7. Certified Survey Maps that are subject to local approval must be recorded within 6 months of their last approval and 24 months of the first approval.
- 8.
- 9.
- 10.

12. Agency recommendation rationale and findings of fact:

The remaining Parent Lot is greater than 35 acres and does not requires a CSM or Plat of Survey but, the Applicant has asked the Surveyor to prepare a 2 - Lot CSM for better land records for future property transfers.

TOWN ACTION

EXECUTIVE SUMMARY

RESOLUTION AUTHORIZING OF PROPERTY PURCHASE THROUGH COMMUNITY DEVELOPMENT BLOCK GRANT – EMERGENCY ASSISTANCE PROGRAM

The County of Rock has received grant funds from the State of Wisconsin – Community Development Block Grant – Emergency Assistance Program. The Rock County Board of Supervisors approved the Grant Agreement receipt of the Grant at its meeting on December 11, 2008.

A total of \$440,245 in program and administrative funds were made available for this Program to purchase qualifying properties from qualifying owners that for properties that were damaged during the 2008 flood event. No Rock County General Revenue funds are required or will be used for this purchase.

Per State requirements, Rock County had appraisals conducted to determine the current value of two (2) subject properties. 3901 Riverside Drive, Edgerton, WI, Parcel 6-6-1241, Sunnyview Park, Lot 1 Block 2 owned by JoAnn McGuire and 3911 Riverside Drive, Edgerton, WI, Parcel 6-6-1243, Sunnyview Park, Lot 2, Block 2 owned by JoAnn McGuire and Robert Frieler. These appraisals have been used to establish the current value of the subject properties. These property values, minus flood benefits, were used to establish offers to purchase for the properties.

The values of the two subject properties, that were valued at \$85,000 and \$ 30,000, were used to establish offers to purchase. The owners of the two properties have accepted the offers to purchase. Per State and Federal requirements, the purchase of the property is contingent on approval by the Rock County Board of Supervisors.

Per the Housing Procedures Manual for Rock County, the Planning & Development Committee and Planning & Development Agency have been working to implement the provisions of the Grant. Arranging for the purchase of the property has been done in accordance with State and Federal regulations and requirements.

The Planning & Development Committee and Agency will comply with Federal requirements for demolishing structures on the property, conduct site restoration activities, and conduct final grading and seeding. Upon completion of this work, final disposition of the property will be determined.

FROM: David Somppi, Community Development Manager
RE: Request for Lien Reduction for Housing Rehabilitation Loan

Property Address: 704 Speich Road, Orfordville, WI 53576
Loan ID: 950728 D-1
Loan Amount: \$15,000
Date of Loan: October 10, 1995
Type of Loan: CDBG 0% Owner Rehab. Loan
Other liens on property: \$0
Fair Market Value: \$ 47,600
Taxes: \$915.62 owed for 2013

Reason for Request: Under the provisions of the “Subordination-Alteration-Reduction’ Policy section of the Rock County Housing Procedures Manual, requests to alter or reduce the amount of an existing Rock County Mortgage may be presented for review by the Rock County Planning & Development Committee. The Planning Agency does not have the authority to settle a mortgage at less than face value.

The property is a single-family home. The owner purchased the property in 1980 for \$6,500.

The owner received a Rock County Community Development loan in October, 1995 for \$15,000. The work conducted was to replace the roof, windows, upgrade the electrical service, and replace the well pump.

The husband of the owner is deceased and the wife is currently in a nursing home.

Extensive work needs to be conducted to the property, including addressing basement water issues, the roof, bathroom, electrical, and interior wall surfaces.

The owner and realtor have sought to sell the property since 2012. An offer has been made on the house and property for \$15,000. This would leave \$10,427.04 for repayment of the Community Development loan.

The alternatives:

1. Accept the request for payment in full of the loan for \$10,407.04, provided that the property is sold as part of the above-mentioned agreement for \$15,000.
2. Request a settlement for an amount other than the \$10,407.04.
3. Reject the offer – accept no less than the full amount.

Analysis: Since May, 2000, the Planning Agency has received approx. 8 requests to settle a payoff / mortgage satisfaction requests for less than the amount owed. The cases generally involved short sales to avoid foreclosure of the property.

The owner can not make utility or tax payments on the property. The owner needs to sell the property to comply with Medicaid funding requirements. It is likely that the owner will not receive a higher offer in the near future.

October 15th, 2013

To whom it may concern:

I am assisting _____ with the sale of her property located at 704 Speich Rd, Orfordville, Wisconsin.

I have included with this letter her completed Request For Alteration of Existing Mortgage, a letter from her explaining her situation and why she is requesting the alteration and an estimated closing statement from the title company showing the expected proceeds that could be used to pay off the mortgage to Rock County.

The amount that is shown on line 504 of page 1 is what would be available after her closing costs to pay off the mortgage. That amount is \$10,427.04. This would be the amount she is requesting you to alter the existing to, so she can pay it off and provide the buyer with a clean and marketable title.

With both _____ and her now deceased husband having been in very poor health for some time, the property is in a state of major disrepair. There are some water issues in the basement, the roof is at its end of life, as are the mechanicals and siding. The wiring is older with a fuse box vs a breaker panel. Much of the plaster is damaged from a leak in the roof and needs to be torn out and replaced. The well is in good order, but the septic is quite old and will have to be replaced before too long. Most buyers would consider just tearing the house down. The property also sits right along the railroad track as seen on the GIS map.

_____ says that she has been trying to sell the property for some time without success. I believe the offer of \$15,000.00 is pretty typical of what you could expect to get from this. Most buyers would look at it as buying the ½ acre lot and the well.

I have forwarded pictures of the property as well.

I am hoping this will be of some assistance to you in making your decision. Please feel free to contact me if you need any further information.
