been duly posted up in three public places in each of said towns ten days before the time of said meeting.

We the undersigned Supervisors of each of said towns acting together did proceed to examine personally such highway and having heard all reasons which were offered for or against the laying out of the same did so acting together decided upon such application and deeming it necessary did then and there determine to lay out said highway as hereinafter described. Now therefore, pursuant to said application we the undersigned Supervisors of each of said towns, acting together do hereby order and determine that a highway be and the same is hereby laid out as follows to wit:

Beginning near the Lynn Creek Bridge on the line between Section 6 of the town of Porter and Section 1 of the town of Union running North on said line about 120 rods; thence in a Northwesterly direction to intersect the highway on the west side of what is known as Davenport Mills. the same being an accurate survey hereof, caused by us to be made and said highway being upon the Town line between said towns or so as near there to as the situation of the ground will adjust, the line of said survey is the center of said highway and the same is laid out of the width of four rods; and we do further order and determine that the following described part of said highway to wit; the Bridge, Lynn Creek, to be built and maintained by the said towns of Porter and Union do jointly and further determine and agree the town of Porter make and keep in repair the 40 rods on the south end of said road and the residue by the town of Union; and the damages awarded to Chas. Miller of 75 dollars and to William Leedle 75.00 dollars the owners of the foregoing described lands of Section 6 of the town of Porter and of Section 1 of the town of Union and the said damages so awarded are to be paid equally by each town.

Made and signed by us at the Town of Porter this 7<sup>th</sup> day of August 1880.
