RE: Announcement of Nursing Home Administrator

I am pleased to announce that Natalie Rolling-Edlebeck has accepted our offer to become Rock Haven's new Nursing Home Administrator.

As many of you noted during our candidate forums, Natalie's knowledge, background, and experiences will be an asset to Rock Haven. Natalie has previously held several Nursing Home Administrator positions, notably as Nursing Home Administrator at state veterans' homes in Wisconsin and Texas. As she noted during the candidate forum, she also served in the Army, beginning as an enlisted soldier and retiring with the rank of Major. Her military experiences included commanding multiple overseas logistics operations and serving as a Professor of Military Science. In addition to being a licensed Nursing Home Administrator, Natalie holds a Master of Fine Arts degree in Human Relations and a Bachelor's Degree in Speech Communications.

I would like to again thank staff for participating in the candidate forums and for providing me with feedback, which was extremely valuable to me and the Health Services Committee in evaluating the candidates and making the final decision. Many of your comments to me noted Natalie's strong communication, organizational, and leadership skills. There was also a strong sentiment that Natalie would instill respect and a team environment at Rock Haven.

Natalie's appointment requires confirmation; meetings to consider the appointment will occur next week on Monday at County Board Staff Committee, Wednesday at Health Services Committee, and Thursday at County Board. Natalie's first day as Nursing Home Administrator would be March 22<sup>nd</sup>.

Please join me in welcoming Natalie to Rock Haven!
