**Accepting Contribution from Wal-Mart Foundation and
Amending the 2011 Rock County Health Department Budget**

EXECUTIVE SUMMARY

As part of the Rock County Health Department's work with families with young children, the department sends public health nurses and environmental health specialists out to visit homes in the community and assess the risk for child safety/injury as part of our Healthy Homes program.

The Rock County Health Department applied for a contribution from the Wal-Mart Foundation's Local Community Contribution Program, and the health department was awarded a \$500 one-time contribution.

These funds will be used to purchase safety supplies such as door/cabinet locks, safety gates, smoke alarms, etc. to assist families in complying with the recommendations made by health department staff during Healthy Homes visits.

In 2010, the Rock County Health Department was able to complete over 70 home visits in our Healthy Homes program.
