EXECUTIVE SUMMARY

RESOLUTION AUTHORIZING SUBMISSION OF THE 2012 ROCK COUNTY APPLICATION FOR LEAD HAZARD CONTROL GRANT FUNDS

The Rock County Planning and Development Agency is currently preparing an application on behalf of Rock County for Healthy Homes and Lead Hazard Control Program funds, administered by the U.S. Department of Housing & Urban Development (HUD). This is part of HUD's annual Notice of Funding Availability for Discretionary Funds to finance competitive grants for discretionary housing programs nationwide. For 2012, a total of \$61 million will be made available for this program for qualifying cities, counties and states to fund about 25 programs nationwide.

Owner-occupied property owners will be required to live in the property upon completion. Rental property owners will be required to rent to low- to moderate income families and keep rents within Rock County's HUD rent guidelines.

Funds would also be made available for qualifying testing activities and community outreach, data collection and record keeping, and administrative expenses.

Rock County will be working closely with the Cities of Beloit and Janesville, the Rock County Health Department, Rock County municipalities, and other community groups on identifying eligible housing units and conducting approved projects. The Cities of Beloit and Janesville and the balance of the County will administer roughly similar numbers of projects. Projects in the Cities of Beloit and Janesville may be administered by their Neighborhood Services Departments. Projects in the balance of the County would be administered by the Planning Agency and the Health Department.

Scoring for this competition will be based on agency capacity, agency experience, documented need, quality of work program approach, economic opportunities, promoting local and national housing objectives, and other resources and community support.

The application will request about \$1,500,000 to conduct lead hazard control work on about 90 housing units over 36 months. These projects will likely be evenly split between the Cities of Beloit, Janesville, and Rock County outside of the Cities of Beloit & Janesville. Grant funds are also proposed to be used for public education and promotional activities.

The deadline for submission of this application is January 18, 2012. Notification of success of the application will likely occur in April, 2012. If successful, the contract period for the application would be from about July 1, 2012 – June 30, 2015.
