EXECUTIVE SUMMARY
For
STATEMENT OF PROJECT INTENTION

Wisconsin statute requires that an airport sponsor submit a six-year plan every even numbered year. This Resolution provides that Six Year Statement of Project Intentions to the State of Wisconsin and/or the federal government to meet the existing and future needs of the Southern Wisconsin Regional Airport. This Resolution is important for the future planning and timely execution of development as it becomes necessary.

This Statement of Project Intentions is for planning purposes only, does not require County funds to be available, and does not commit the sponsor to an Airport Improvement project.

If approved, this Resolution will be forwarded to the State of Wisconsin, Bureau of Aeronautics, for their planning and budgeting purposes.

Respectfully Submitted

Airport Director
