**ACCEPTING BOOKS FOR BABIES GRANT FROM TARGET STORES AND
AMENDING THE 2012 ROCK COUNTY HEALTH DEPARTMENT BUDGET**

EXECUTIVE SUMMARY

The Rock County Health Department applied for and has been awarded a \$2,000 Books for Babies Grant from Target Stores.

For four years, the Rock County Health Department has conducted the Books for Babies program. The main goal of this program is to encourage and promote literacy in families. Studies show that children are much more successful in school if they develop a love for reading early in life.

In this program, the health department's public health nurses give a quality book to the parents of at-risk newborns in Rock County. The book is given during the initial visit after the baby comes home from the hospital. The purpose of the program is two-fold. The provision of the book not only promotes and encourages literacy, but it also provides an opening for the nurses to discuss the baby's health needs.
