Executive Summary

Contracting for Public Works Welding Shop Ventilation Upgrade and Amending 2019 Facilities Management Capital Budget

The resolution before you is contracting with Tri-Cor Mechanical a Division of Total Mechanical of Janesville for upgrading the Welding shop ventilation system and amending the 2019 Facilities Management budget. It was brought to Facilities Management Director attention the welding shop ventilation was not properly exhausting the welding fumes. Angus Young and Associates was hired to evaluate the needed repairs and they determined the entire system needed to be replaced. Specifications were written and the project went out for bid. Tricor was the lowest most responsive and responsible bidder at \$44,500.

The resolution is also amending the 2019 Facilities Management budget to include \$6,060 for engineering, \$44,500 for contractor to install and \$4,500 for contingency funds for a total amendment of \$55,060. This is a safety concern for employee health.
