Executive Summary
Retaining an Architectural & Engineering Firm to Prepare Plans
and Specifications
for the Construction of a new Medical Examiners Garage

The resolution before you is retaining Angus Young Architects/Engineering Firm to prepare plans and specifications for the construction of a new Medical Examiners garage.

This garage space is currently located in the old Rock haven building which is costing approximately \$50,000 annually in just utilities. The new Medical Examiners garage will be built at the HCC complex near the new maintenance storage garage.
