Executive Summary for the Purchase of Panasonic Toughbooks

The Rock County Sheriff's Office utilizes Panasonic Toughbook laptop computers within their squad cars. Each year a number of these are purchased to replace those that are broken, worn, or no longer adequate to operate the software and systems used by the law enforcement staff.

The Panasonic Toughbooks are ruggedized laptops that are made to withstand extreme temperature, excess vibration, and abnormal abuse that are common in police work. Panasonic has developed a less expensive model of laptop than what was available in prior years that meets the needs of the Sheriff's Office. This authorization is for six Toughbooks that will replace units that are several years old and cause regular difficulties for the deputies and Information Technology staff.

The Toughbooks are being purchased from Baycom, Inc. from Green Bay off of state contract (#505ENT-O16-NASPOCOMPUT-02), and include a five-year warranty.
