PROCLAIMING JULY AS PARKS AND RECREATION MONTH

Executive Summary

Since 1985, America has celebrated July as the nation's official Park and Recreation Month. A program of the National Recreation and Park Association (NRPA) and the America's Backyard initiative, the goal is to raise awareness of the vital impact that parks, recreation, and conservation have on communities across the United States.

This July we're celebrating 30 years of Park and Recreation Month and the enduring power of parks and recreation for the world.

Various research studies are confirming that community parks and recreation, green space and time outdoors is critical for creating healthy, active and sustainable communities. You can experience the benefits by visiting your community parks and recreation any time of the year, and especially during Park and Recreation Month.
