MEDIA RELEASE

Slow-No-Wake Speed Restriction Removed from Rock River

For Immediate Release

Date: July 1, 2022

Contact Person

Deputy Terry Borgwardt
608-757-7941

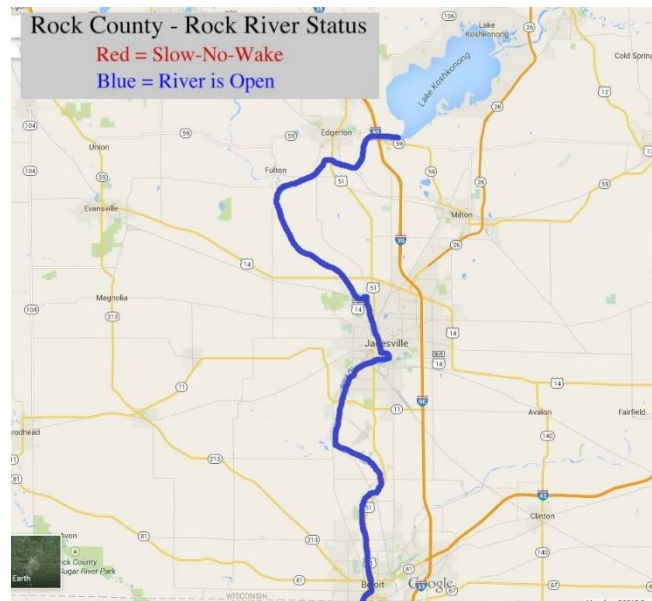

According to the US Geological Survey Gauge in Afton, the water level for the Rock River is 6.43 feet. County Ordinance allows for an abeyance of the slow-no-wake speed restriction on the portion of the Rock River downstream from the Indianford Dam to the W B R Townline Road Bridge when water levels are 6.50 feet or more.

Thus, the Rock County Sheriff's Office is removing the previously declared slow-no-wake speed restriction on this portion of the river. Deputies will begin removing slow-no-wake signs along the Rock River at all public access points between the Indianford Dam and the W B R Townline Road Bridge.

With this abeyance, the entire Rock River in Rock County, Wisconsin, is without a slow-no-wake speed restriction.
