

URGENT MEMORANDUM

DATE: July 22, 2022

TO: All Rock Haven Community Members

FROM: Chelsea Phillips, RN Infection Preventionist

RE: Positive Cases of COVID-19

Dear Rock Haven Community Members,

We have identified 4 COVID-19 positive staff members. These staff members are following isolation orders away from the facility. We continue to screen all staff and visitors of Rock Haven for signs and symptoms of illness. Staff continue to wear appropriate personal protective equipment (PPE) while at work and staff are advised to stagger breaks to continue social distancing.

We must continue to protect our vulnerable residents. Rock Haven follows CDC guidance on community transmission levels, for the past two months, the level has remained in red marked "High." We continue to follow CMS and CDC guidelines. Visitors will continue to be screened prior to entry in the facility. Visits must take place in the resident room (while wearing a mask) or we would be happy to have you visit your loved one in one of our beautiful outdoor courtyards. If you are ill, please postpone your visit until you are well.

We ask that you, along with our residents and staff do all that you can to support our community by following the recommendations set forth by the CDC:

- Social distancing/staying home if possible
- Washing hands for 20 seconds with soap and water or alcohol based hand rub
- Wear a mask or face covering when indoor if with people that are not part of your household
- Self-isolating if showing any signs or symptoms of COVID-19

- Seek medical assistance as necessary
- If you notice symptoms, please notify anyone you have had close contact with in the 2 days prior.
- Locate or remain up-to-date on Covid vaccinations and obtain additional booster doses as directed

Thank you all for your understanding and support. We will continue to provide updates.

As a quick reminder, as much as I don't want summer to end - flu season is quickly approaching! Be on the lookout for upcoming information on our flu vaccines that are provided annually to our residents and staff.

Regards,

Chelsea Phillips
