

Rock County Domestic Violence Intervention Program (DVIP)

If you accept responsibility for the crime you are accused of and can make a commitment to no new violations then you may be eligible for DVIP.

The DVIP Office is located on Floor 4R. You will take the elevator beyond security to 4R. Take a left out of the elevator and a right down the hallway; walk straight ahead to the next set of stairs and go up those stairs. Our office is on the right. It is handicap accessible.

If you have any questions, you need to reschedule or you wish to cancel your appointment, please call our Office at (608)757-5677.

Your appointment is scheduled for: _____

Thank you,

Domestic Violence Intervention Program Staff

- Domestic Violence Intervention Program (DVIP) may be available to individuals charged, as an adult, with a domestic violence offense. DVIP involves attending small group or individual sessions. Upon completion of DVIP you will receive some consideration in Court on the charge and/or fine *per the plea agreement with the District Attorney*.
- When appropriate, there may be additional requirements necessary to complete DVIP. Those requirements will be determined at your initial assessment interview. Examples of requirements that could become part of a DVIP contract include:

Restitution · Alcohol & Drug Assessment/Chapter 20 Assessment (with treatment, if recommended) · Anger Management Counseling · Individual Counseling · Parenting Classes · Community Service · or any other available programming/treatment the counselor deems appropriate

There are no program fees required to participate in the Domestic Violence Intervention Program (DVIP). The only costs involved are any restitution owed on a participant's case; and/or if a participant is referred out to a community partner for required services.
