URGENT MEMORANDUM

DATE: December 15, 2022

Dear Rock Haven Community Members,

There has been two identified cases of COVID-19 in our staff. Staff are following isolation orders away from the facility as directed by the CDC. There is one identified case of COVID-19 in our residents. Residents are isolated from other residents to prevent spread. To prevent spread of infection, advanced PPE (personal protective equipment) has been put into place, staff are staying on their working units and Covid testing has been increased.

Community transmission level remains high currently. We must continue to protect our vulnerable residents. We continue to follow CMS and CDC guidelines. Visitors will continue to be screened prior to entry in the facility. If you are ill, please postpone your visit until you are well.

We recommend visitors to wear a mask and use hand hygiene prior to entering and leaving the building. Best practice for protecting ourselves and our loved ones from COVID-19 include good hand washing and wearing a mask.

Regards,

Chelsea Phillips
