Janesville, WI – The Rock County District Attorney's Office announced that a Clinton man was sentenced to 4 years in prison, followed by 4 years of extended supervision, for possession of child pornography and also was ordered to comply with the Sex Offender Registry for life.

According to the criminal complaint, Bradley Price, age 57, was found to have possessed an image depicting child pornography after a cyber tip was received by the Rock County Sheriff's Department from the National Center for Missing and Exploited Children. Detective Corrine Bilhorn then completed a search warrant for Price's online Yahoo account and his home where several electronic devices along with data storage hardware were seized. On February 22, 2021, Price was arrested and did admit to possessing child pornography.

Bradley Price was previously convicted of four counts of possession of child pornography in 2003 out of Milwaukee County.

The Rock County District Attorney's Office and the Rock County Sheriff's Department are dedicated to eliminating the sexual exploitation of children. Detectives Corrine Bilhorn and Darrell Knutson of the Rock County Sheriff's Department Detective Division investigated the case. Assistant District Attorney Mason Braunschweig of the Rock County District Attorney's Office prosecuted this case.
