URGENT MEMORANDUM

DATE: January 31, 2023

Dear Rock Haven Community Members,

As of January 18, 2023, four residents have tested positive for COVID-19. They are isolating away from others to decrease the chance of spread of infection.

As of January 18, 2023, two additional employees have tested positive for COVID-19. They are following isolation orders away from the facility as directed by the CDC. Staff are wearing increased levels of PPE (personal protective equipment) at this time and continuing to screen daily for symptoms.

Due to the spread of the infection, we are strongly recommending that all visitors wear a mask and use hand hygiene prior to entering and leaving the building. Best practice for protecting ourselves and our loved ones from COVID-19 include good hand washing and wearing a mask.

Community transmission level changed from high to substantial. We must continue to protect our vulnerable residents. We continue to follow CMS and CDC guidelines. Visitors will continue to be screened prior to entry in the facility. If you are ill, please postpone your visit until you are well.

Regards,

Chelsea Phillips
