

DOES YOUR HOME NEED REPAIR FOLLOWING THE RECENT TORNADO AND HEAVY RAIN EVENTS?

- ✓ Is your home within Rock County—outside the Cities of Beloit or Janesville?
- ✓ Do you own your home?
- ✓ Is your household income at or below 80% of Rock County median income? (See chart below)
- ✓ Is your home in need of: roof repair, siding repair, HVAC or other mechanical repairs, window replacement or sanitary system improvements?

There is a program that may help. Funds are available through the Rock County Community Development Program to make needed repairs. In most cases, assistance will be a grant (no repayment required). Zero percent deferred loans are also available at all times for home rehab and repair for qualified homeowners.
