# LETTER TO COUNTY ADMINISTRATOR

Rock County, Wisconsin

Communications Center

3636 N. County Highway F  
Janesville, WI 53545  
Phone (608) 757-5100  
Fax (608) 757-5081

January 28, 2021

Mr. Josh Smith  
Rock County Administrator  
51 S. Main Street  
Janesville, WI 53545

Dear Mr. Smith:

2020 was definitely one of the most challenging years we've had since the center opened in 1993, but even with all of the obstacles, we still managed to complete all of our goals and objectives for the year:

- MASTR III radio equipment was all replaced on County Tac and Rock Fire Main Repeater channels and simulcast was added to County Tac and Rock Fire Central Repeater channels, along with the additional transmitter sites on those channels as well as Rock Fire Main and County Main Repeater channels.
- Viper (911) telephone system servers were all updated on schedule in August and everything has been going well with this.
- Automatic Vehicle Locate (AVL) dispatching was implemented for the City of Beloit, Town of Beloit, Janesville and Milton Fire Departments.
- Space study/building expansion project is well under way with an anticipated move-in date of late 2022.

The most noteworthy event for 2020 was obviously COVID-19. With so many unknowns at the beginning of the pandemic we made the decision to move some staff out of the primary site to accommodate more social distancing. Because our backup site is within a fire department, we quickly determined it would be too risky to move staff there. We came up with a solution to move radio and computer-aided dispatch equipment to an empty conference room at the nearby Highway Shop. With cooperation from Rock County IT, our radio vendor and the Highway Shop staff we were able to achieve this in short order. Due to some operational issues from having staff separated for a little over two months, we did eventually decide to move all staff back to the primary site. By that time we had purchased new VPN telephone laptops that allowed us to locate additional call take positions in different parts of the building allowing us to continue proper social distancing. This (along with masks for all employees, moveable partitions, the purchase of an electromagnetic disinfectant sprayer and overall personal responsibility by all staff) we have had very few cases of COVID-19 at the center.

The other noteworthy event occurred in November. The county experienced a total network outage which severely impacted public safety operations. The communications center's backup radio system that had consistently worked well was also affected by the network outage thus causing us to have very intermittent connectivity and radio coverage for our user agencies. We have learned valuable lessons from this system design failure and are currently working with Rock County IT and our radio vendor (with input from our user agency stakeholders) on how to make our radio system and backup systems more robust and independent from the main county network. These suggestions for improvement will be included in the Communications Center's capital improvement plan in order to start addressing some of the deficiencies experienced back in November.

Lastly, I would like to express my sincere appreciation to you and the county board for approving the pay increases for the dispatch and supervisory staff at the Center. While we continue to struggle with turnover, this is definitely a step in the right direction to attract and retain employees and we hope to have a better 2021 with more stabilized staffing levels.

Respectfully,

Kathren Sukus  
911 Communications Director

# ROCK COUNTY BACKGROUND INFORMATION

**Population:** 163,354 (estimated 7/1/19)

726 Square Miles of Service

9 Municipalities

## **Rock County Administration**

Josh Smith, County Administrator

## ROCK COUNTY COMMUNICATIONS CENTER COVID-19 MODIFICATIONS

2020 was certainly difficult for many people, industries, and businesses. Regardless of a pandemic though, the work of our department had to continue seamlessly. Below are some photos of our adapted backup site at the Rock County Highway Shop, which we used for approximately two months to ensure safe social distancing measures were in place for the protection of our staff. During those two months, we adjusted our primary work site to better adapt to new federal, state, and local COVID safety protocols. Along with required mask wearing by all employees, partitioned dividers between stations, and enhanced sanitizing efforts, we successfully kept our operation running with little to no disruption for county residents and area agencies. Thank you, Highway Shop!

TC Matt Husen missed his coworkers so much while in separate buildings, he kept printouts of them close by.

# PEER AWARDS

The unprecedented challenges of last year didn't only affect our agency's ability to interact and coordinate with the local communities we serve, but also with each other. Staff celebrations and milestones were curbed, and employee engagement activities were eliminated due to safety restrictions. To keep employee morale high even during a year of limitations, we held our first ever Peer Recognition Awards, where Communications Center staff voted to acknowledge coworkers they felt were extraordinary in the below categories:

***Calm in The Storm***—Bryan Niedermeier

***Exceeding Expectations***—Kelly Elliott

***Outstanding Supervisor***—Fredd Carr

***First Class Service***—Krystynn Reinart

***Ultimate Team Player***—Kathy Helgeson

***Helping Hand***— Matt Husen

***Makes My Day***—Jenna Winiarski

***Rookie Rock Star***—Michael Palmer

***Generosity Award***—Aisha Brunton

***Kindness Award***—Colleen Johns

***The Workhorse***—Matt Wogaman

One award, titled ***League of Superheroes***, was presented to the ultimate team of five who staff felt would excel together. This "Superhero" designation was granted to the following:

\*Chase Ziegelbauer\*    \*Bryan Niedermeier\*    \*Kelly Elliott\*    \*Matthew Husen\*    \*Fredd Carr\*

## TRAINING

### Training Coordinator

The Training Coordinator is responsible for the management of the Communications Training and Evaluation program under the direction of the Operations Manager.

This program provides each new Telecommunicator with 14 days of academic training with the Training Coordinator. The academic training includes orientation, policies and procedures, operational training, APCO Basic Telecommunicator training, APCO EMD (Emergency Medical Dispatch) training, TIME system, CPR certifications and RapidSOS training. It also provides new Telecommunicators with a minimum of 30 weeks of on-the-job training in the Communications Center with various Communications Training Officers (CTOs) under the direction of the Training Coordinator.

Daily Observation Reports (DORs) are completed by the CTOs while training a new Telecommunicator. The Training Coordinator is responsible for receiving and reviewing all DORs and then reporting to the Operations Manager through a weekly summary report. The Training Coordinator also schedules bi-monthly meetings with the CTOs to provide continued professional training, discuss current training information, and evaluate the training program.

In 2021, we will fill a newly created position of Training and Quality Assurance Manager to further improve our overall training program.

**Supervisor Lori Taylor** continued her leadership of the Communications Center's Training Program in 2020. Our training is evolving to attract, develop and retain quality employees; provide them opportunities for their growth and achievements while ensuring the needs of our center are met. In order to keep progressing forward, innovative thinking is encouraged by both trainers and trainees to adapt our program to meet demands, learning styles, and changes in day-to-day procedures. We conduct ongoing evaluations of the program and its participants as it is necessary to increase understanding by looking at systems and processes and facilitate solutions for growth and change. Ultimately the evaluations are used to provide effectiveness to inform, educate and inspire employees to reach their professional goals.

## TRAINING, CONTINUED

### COMMUNICATIONS TRAINING PROGRAM

Newly hired Telecommunicators and Call Takers complete a 10-day orientation with the Training Coordinator prior to shift assignment with a Communications Training Officer (CTO)

Orientation consists of:

- Equipment assignment
- APCO Public Safety Telecommunicator certification
- Computer-Aided Dispatch system training
- Telephone training
- Policy/procedure awareness
- Sexual Harassment & Cultural Diversity training
- Telecommunications Device for the Deaf (TDD) training
- Building security awareness
- CALEA overview
- Geography orientation
- Rapid SOS

Once orientation has been completed, trainees are assigned to a Communications Training Officer for call take training. This training consists mostly of on-the-job training with actual callers. Trainees are given step-by-step instructions on how to interact with callers and process calls for service for police, fire and EMS. Trainees are closely monitored for 6-8 weeks until they are able to process calls for service with little to no assistance from their trainer. Telecommunicators continue training for approximately 24 more weeks on the various radio positions:

- Beloit Police Dispatch
- Fire/EMS Dispatch
- Janesville Police Dispatch
- Rock County Law Dispatch

Additional training/certification required for all staff prior to end of probation:

- CPR
- APCO Emergency Medical
- Dispatch (EMD) certification
- TIME System certification
- Incident Command & NIMS

# TRAINING, CONTINUED

## 2020 Communications Training 1,500.50 Total Hours

## EMERGENCY MEDICAL DISPATCH PROGRAM

Emergency Medical Dispatch (EMD) is a systematic program of handling medical calls for assistance. Using locally approved EMD Guidecards, trained call-takers quickly and properly determine the nature and priority of the call, dispatch the appropriate response, and then give the caller instructions to help treat the patient until the responding EMS unit arrives.

Rock County Communications Center implemented the APCO (Association of Public Safety Communications Officials) EMD Program on May 1, 1997.

Dr. James MacNeal serves as the local medical authority for the Center's EMD Program. Along with the Operations Manager, the EMD Guidecards are reviewed annually to ensure that protocols remain up to date and effective. Quality assurance is also completed on a monthly basis for all employees who process medical calls for service.

Quality assurance reviews of random EMD calls are completed monthly by Supervisor Derek Ninmer. These quality assurance reviews are then provided to the employee. The quality assurance program assures that documented standards, training and job performance are being achieved. Quality assurance also assists in identifying areas that need improvement and future training needs.

The Communications Center staff provided EMD services for over 15,700 emergency medical calls from citizens within Rock County in 2020.

The Center provides in-house training for all new employees within three months of employment. Recertification is required every two years.

The Center's EMD Instructors are:

- ☀ Matt Bender, Shift Supervisor
- ☀ Derek Ninmer, Shift Supervisor
- ☀ Michael Vickers, City of Janesville Firefighter/EMT

# COMMUNICATIONS COMMISSION

The Rock County Communications Commission was established by the Rock County Board of Supervisors to provide Rock County public safety agencies with oversight of the Communications Center operations. The Commission meets quarterly and is empowered to approve all Communications Center policy/procedures that directly affect the dispatching of public safety agencies. The nine-member Commission is comprised of five permanent members (Beloit Fire Chief, Beloit Police Chief, Janesville Fire Chief, Janesville Police Chief, and the Rock County Sheriff) and four rotating members, representing the remainder of Rock County public safety agencies.

## 2020 COMMISSION MEMBERS

**Chief Daniel Pease**  
Beloit FD  
Chair

**Chief Ernie Rhodes**  
Janesville FD  
Vice Chair

**Chief David Zibolski**

**Chief Rich LeFeber**  
Town of Turtle PD

**Chief Patrick Reese**  
Evansville PD

**Chief Gene Wright**  
Town of Beloit FD

# QUALITY ASSURANCE

Each month, thirty letters/postcards are randomly sent to citizens who telephone the Rock County 911 Communications Center. The quality assurance card responses are recorded and presented at 911 Commission meetings each year. The process is completed as part of the 911 Center’s Quality Assurance Program. Shift Supervisor Fredd Carr managed the process of mailing and receiving the cards for 2020. Other quality assurance processes include monthly reviews of all telecommunicator and call taker activities, user agency input, workgroup meetings, and other forms of citizen input.

	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Total
<b>Number Sent</b>	30	30	30	30	30	30	30	30	30	30	30	30	360
<b>Number Returned</b>	6	3	4	2	4	7	7	9	1	5	2	1	51
<b>Return Percentage</b>	20%	10%	13%	7%	13%	23%	23%	2%	3%	17%	7%	3%	14%

	A	B	C	D	F	
<b>Answer Time</b>	42	9				A=Excellent
<b>Knowledge</b>	42	9				B=Good
<b>Courtesy</b>	46	4	1			C=Satisfactory
<b>Attitude</b>	45	5	1			D=Unsatisfactory
<b>Quality of Service</b>	43	7		1		F=Failure

2/2020 - The rating of "D" was a concern towards a user agency response to the incident. That concern was forwarded to the user agency.

## EXPENDITURES

### Personal Services

Regular Wages	\$2,310,310.49
Overtime Wages	353,191.37
Uniforms	3,585.80
FICA	203,223.61
Retirement	178,051.15
Health Insurance	762,518.98
Dental Insurance	20,734.09
Life Insurance	667.34
Workers Compensation	1,547.00
	<b>\$3,833,829.83</b>

	<b>\$13,670.65</b>

### Capital Outlay

Cap Assets \$2,000 TO \$25,000	20,434.56
Capital Assets Over \$25,000	921,408.91
Software Purchase Over \$25,000	112,825.12
	<b>\$1,054,668.59</b>

<b>Total Expenditures for 2020</b>	<b>\$5,657,080.21</b>
------------------------------------	-----------------------

# OPEN RECORDS

The Communications Center receives requests for public records throughout the year from user agencies, the public, and attorneys. These records include call notes from the CAD system or audio from 911 calls and radio traffic. Requests are processed according to the Freedom of Information Act and Wisconsin Public Records Law, Wisconsin Stat. §§19.31-19.39.

## OPEN RECORDS REQUESTS BY YEAR: 2011-2020

## ACCREDITATION

---

### CALEA

#### **COMMISSION ON ACCREDITATION FOR LAW ENFORCEMENT AGENCIES, INC. PUBLIC SAFETY COMMUNICATIONS ACCREDITATION**

The CALEA Public Safety Communications Accreditation Program is a voluntary program that provides communications centers with a process to systematically review and internally assess its operations and procedures. The program contains 212 standards incorporating the elements of:

- Organization
- Direction and Supervision
- Human Resources
- Recruitment, Selection, and Promotion
- Training
- Operations
- Critical Incidents, Special Operations, and Homeland Security

The standards are viewed as reflecting the best professional requirements and practices for a public safety communications agency both by CALEA and APCO (Association of Public Safety Communications Officials). Meeting these standards enables the Rock County Communications Center to provide superior public safety communications to the agencies served as well as the citizens of Rock County.

The Rock County Communications Center has been fully accredited by CALEA since July 2000, with on-site assessments by CALEA Assessors who objectively report back to the CALEA Commission. The Center's most recent on-site assessment took place in April 2018 lead by Accreditation Manager, Brian Becker. In July 2018, the Communications Center received its 7th consecutive CALEA Award in Grand Rapids, MI. The Center was further recognized by being nominated for and presented with the Excellence Award for the effective use of accreditation for public safety services and management professionalism. CALEA has moved from a three year accreditation cycle to a four year accreditation cycle. During this updated accreditation cycle, CALEA analyzes standards remotely each year and then comes on site during the fourth year. Previously, CALEA analyzed the agency's accreditation standards every three years. The next on-site assessment will be in 2022.

# MAPPING

Kris Pehl has been the Geo Applications Specialist for the Communications Center since 2002. Kris maintains day-to-day operations of the geographic systems network, including the addition and changes of street segments, fire and police areas, and municipal boundaries in the base map system.

# PICTOMETRY

Rock County contracted with Pictometry International to fly aerial imagery and oblique (45-degree angle imagery) in 2019. Pictometry’s oblique imagery offers several images of the same location from different directions. This imagery assists telecommunicators and public safety agencies with specific details of a location. Pictometry is useful to public safety agencies. Law enforcement can view the images to obtain a visual reference of a target location or prepare for large-scale events at parks or festival areas. Fire departments can view the images to identify potentially hazardous objects near fires.

## USER AGENCY ACTIVITY

The Communications Center provides 24-hour dispatching services for 13 Law Enforcement and 11 Fire and/or EMS agencies throughout Rock County. In 2020, the Communications Center saw a combined total of 260,940 Law Enforcement and Fire/EMS activities. This is a decrease of 21,473 activities from the previous year and amounts to an average of approximately 715 CAD incidents processed by the Communications Center each day in 2020. This does not include the 3,838 controlled burns entered in 2020.

2020*			
	Total Amount	Amount +/-	Percent +/-
Law Enforcement	240,614	(21,567)	-8.23%
Fire/EMS	20,326	94	0.46%
<b>Combined Activity</b>	<b>260,940</b>	<b>(21,473)</b>	<b>-7.60%</b>

2019			
	Total Amount	Amount +/-	Percent +/-
Law Enforcement	262,181	1,048	0.40%
Fire/EMS	20,232	448	2.26%
<b>Combined Activity</b>	<b>282,413</b>	<b>1,496</b>	<b>0.53%</b>

2018			
	Total Amount	Amount +/-	Percent +/-
Law Enforcement	261,133	3,454	1.34%
Fire/EMS	19,784	(273)	-1.36%
<b>Combined Activity</b>	<b>280,917</b>	<b>3,181</b>	<b>1.15%</b>

An activity is described as any officer-initiated or dispatch-initiated activity through the computer-aided dispatch (CAD); i.e., medical call, fire call, police call, follow-ups, etc.

\*NOTE: During the COVID-19 pandemic period (affecting the majority of 2020), law enforcement agencies greatly reduced self-initiated calls. Center-initiated calls remained relatively flat compared to 2019.

## MABAS DIVISION 104

The Mutual Aid Box alarm System (MABAS) Senate Bill SB 642 was approved by the Wisconsin State Legislature and signed by Governor Jim Doyle on April 5<sup>th</sup>, 2006. MABAS is a mutual aid measure that may be used for deploying fire, rescue, and emergency medical services personnel in a multi-jurisdictional and/or multi-agency response.

In 2001 Rock County began the process of becoming a MABAS Division in Wisconsin. To become a MABAS Division/agency, all that is required is a resolution or ordinance being enacted by the governing body and signing the MABAS contract. Rock County was approved and operational on January 1st, 2002.

### 2020 DIVISION BOX ALARMS

Division 104 had 7 MABAS calls within Rock County. The MABAS calls consisted of 4 residential fires, 2 commercial fires and 1 brush fires. The 7 MABAS calls are broken up into the following fire areas.

- BEFD (4) 2 Residential Fires, 2 Commercial Fires
- EDFD (1) 1 Residential Fire
- MLFD (1) 1 Residential Fire
- TBFD (1) 1 Brush Fire

Agencies within Division 104 responded to 38 mutual aid requests from other divisions in 2020 for MABAS incidents outside Rock County.

## Badger Red Center

In May of 2012, MABAS Wisconsin and the Rock County Communications Center formed a mutual agreement to act as an initial point of contact for any MABAS notification, inter-divisional request or other MABAS related requests that notifications or requests for resources beyond those normally coordinated by individual MABAS Division Dispatch Centers. The purpose of the Badger Red Center is to have a single initial point of contact for any MABAS division to contact.

In 2020 Badger Red Center assisted with 19 incidents. We were able to assist in organizing mutual aid and making additional phone calls for those Divisions requesting assistance.
